

Mobile Sales for Prophet 21

One size fits no one. Prophet 21® was built to work the way you do, and has nearly 50 years of distribution expertise built-in.

More Productive Sales from Fast, Real-time Customer Information

Prophet 21 Mobile Sales is a browser-based application that works on tablets and other mobile devices. Improve sales productivity by giving account visibility to your field sales team and remote staff wherever they have an Internet connection. Support team members in the field will be able to view, create, and edit account information, to quickly understand the current state of their customer's account.

Using Mobile Sales for Prophet 21, sales personnel can better accommodate both their customers, and their sales managers. Detailed customer overviews are easily visible in this application to better predict the sales pipeline and support bid analysis. The Prophet 21 Mobile Sales application is technology independent and works on Apple®, Microsoft®, or Android™ platforms without need of updates from any app store.

Prophet 21

Benefits

Satisfy customer needs with anytime, anywhere order entry

View, edit, or create orders and quotes while in the field

Enter customer visit notes and escalate any issues

Create and update degree of confidence for sales opportunities

Edit customer information quickly and efficiently

Enable remote employees with mobile access to customer information

Freedom from downloads and dependence on app stores

Real-time information when needed to better serve customer

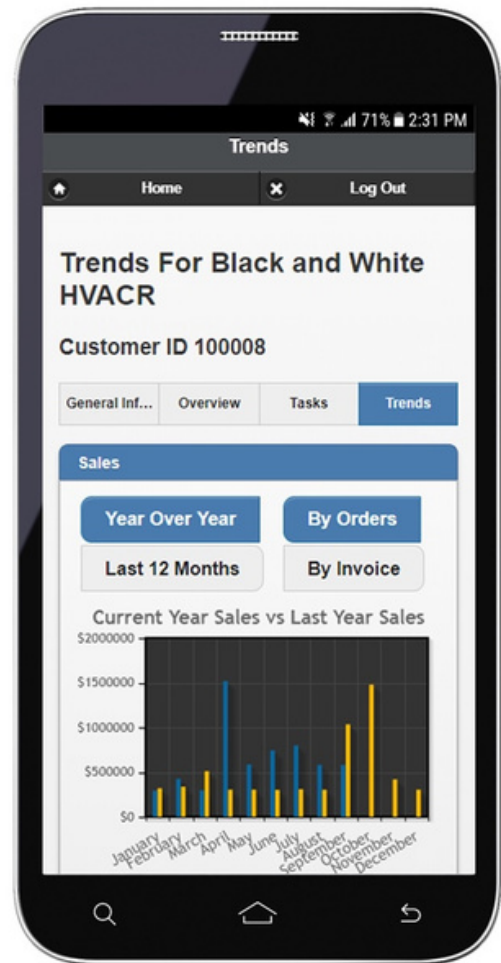

More Flexible, Responsive Sales

The ability to view account information in the Prophet 21 system will help all employees to easily access and understand key aspects of all customer accounts. Using Mobile Sales, salesforce personnel will be able to keep accounts up-to-date and organized directly from their device of choice. While in route to a customer, an outside salesperson is able to quickly retrieve key account aspects to be fully prepared for a productive client visit.

Being in the field is more productive with Mobile Sales, since you can now create, update, or view existing orders and quotes. Additionally, now you can enter new opportunities or update the degree of confidence you have about winning to better communicate with colleagues and sales managers.

Freedom from Downloads and App Stores

This browser-based application gives you Prophet 21 accessibility from anywhere with Internet access. The screen automatically fits to your mobile device or tablet. The Prophet 21 Mobile Sales application is technology independent and works on Apple, Microsoft, or Android platforms without the need of app store updates.

EPICOR

We're here for the hard-working businesses that keep the world turning. They're the companies who make, deliver, and sell the things we all need. They trust Epicor to help them do business better. Their industries are our industries, and we understand them better than anyone. By working hand-in-hand with our customers, we get to know their business almost as well as they do. Our innovative solution sets are carefully curated to fit their needs, and built to respond flexibly to their fast-changing reality. We accelerate every customer's ambitions, whether to grow and transform, or simply become more productive and effective.
